The NIBCO® bronze ball valve provides ease of operation with quarter-turn (90 degrees) open to close. The two-piece valve is ideal for commercial and light industrial process applications that may include HVAC, hot and cold domestic water, low pressure steam, compressed air, LP gas and natural gas. Please refer to NIBCO technical data sheet, valve selection guides and catalog engineering and installation information. Choose NIBCO® ball valves for the most specified, versatile and economical
